Business Items: The Erie County Fair Turning and Sale for Make-a-Wish was a great success. **Jim Hilburger** thanks all the volunteers and reported we will be able to donate **\$6,333** to "Make-a-Wish". **Bob Ball** stated there were 31 members from Turners 1, 16 members from Turners 2 and 12 wives who volunteered their time at the Fair. **Al Schultz** has cataloged and will store approximately 500 items that were not sold in 2005 and have them available for the Fair in 2006. **Jim Vasi** will get a check from the Treasure, and with help, will present it to "Make-a-Wish". Hopefully we will get News coverage and have a photo to use at next years Fair.

Jim Shimwell requested members to make toys for the Aspire Christmas Toy program. If anyone could donate some 9" or 10" dolls that will go in the doll beds already made, please contact Jim at 875-9654 or e-mail him at ourplace72@aol.com. We need seven (7) dolls. Jim reminded everyone of the concern that parts of the toys can not be smaller than what would fit thru a toilet paper tube to eliminate a potential choking situation. All toys must be done and turned in by the December meeting.

Last months demo was done by "**Dan Mosher**" who is not a son-in-law of Steve Imerese.
