The next scheduled meeting is **Monday, December 8**, at **7:30 pm**.

Announcements:

Because of the cancelled November meeting, we will hold our **Fund Raising Auction** at the December meeting. Please bring along your unused treasures, wood, tools, or anything else that can be used in the shop and you are willing give up for a good cause! The Club's treasury depends on this annual event for funds. These funds are used only for the benefit of the Club. Also bring your mad money; maybe that item you have always wanted is waiting for your high bid. We are hoping for a big turnout with lots of participation.

Another reason to attend is to give our outgoing **President** (this will be the last meeting **Ron** presides over) a warm send off. He has done an admirable job the past few years.

Anyway, bring what you can, and don't forget your sense of humor; our past auctions have been loaded with laughs and good times.

Due to scheduling conflicts, an early snowstorm, etc. our **December meeting** will be held on **Monday, December 8**. Please mark your calendars.

See you there!!!
