 - Demonstrations
 - Tonight's demo will be John Lilley on hollowing a vessel
 - February's demo will be Paul Mazuchowski from Club 2 on turning a sphere
 - March – we are looking into getting a professional to do a demo – more information will be forthcoming
- Kathy Nowicki, Secretary
 - All is well
- Joe Wiesnet, President
 - The earliest the schools will be opening is September, 2021, so we will continue to meet using Zoom
- Gene Renzoni – Aspire advocate
 - We will continue to collect toys for the kids, as they may do a belated party
 - Gene Renzoni, Bob Ball and Deb Korwin will be drop-spots for donations – please contact them individually to arrange a drop-off
- Show-and-Tell
 - The following members showed us items they've worked on:
 - Glenn Stelmach
 - Gary Jones
 - Leon Nowicki
 - Rich Mialki
 - Gene Renzoni
 - Gene Musial
 - Mike Gotthelf
 - Deb Korwin
 - Bob Ball
 - Stuart Wiesmore
 - David Hall
 - Derrick Schmitt
 - Kathy Nowicki
 - Great job, everyone!
 - Leon Nowicki was working on a goblet and having a vibration issue, so took rubber bands and wrapped them around the unsupported end, and the vibration stopped. Give it a try!
