

**WESTERN NEW YORK WOODTURNERS CLUB 2**  
**MEETING MINUTES 7/8/2021**

Tonight's meeting was called to order by President Brian Defoe at 7pm. Brian welcomed a total of 19 members and guests from both club 1 and club 2

**PRESIDENT'S REPORT:**

Brian thanked Glenn Stelmach for hosting tonight's meeting. All enjoyed mingling with fellow woodturners in a 'in person' setting!

In the absence Rusty, the **Vice President** report was given by Brian who reviewed our calendar as follows: **August 26th** -Annual Club Family picnic. A signup sheet was passed around. The club will provide hot dogs and burgers & drinks. Participants are asked to bring a dish to pass. It will be held in the Marilla Shelter. Directions provided in August. Remember to signup with Pat Bogan by August 22<sup>nd</sup>. **September 9<sup>th</sup>**- We anticipate that this will be the first meeting "back at our Hamburg Home" in the middle school. Brian will ask Rusty to investigate how we can provide zoom as an ongoing option for anyone unable to attend a live meeting at Hamburg.

We need demonstrators for our 'in person meetings'.... Please call Rusty and help us out!

**TREASURER'S REPORT:** Petty Cash \$118.50 including \$10.00 dues  
Bank Balance: \$3488.54  
Total Club Balance: \$3607.04

**OLD BUSINESS:**

-Brian is investigating selling our old lathes and at what cost.

-We need a new camera for both show and tell and for making videos of demonstrations to post them on our website for member skill building opportunities. Paul M. has a video camera he is willing to donate, but it may not have technologies for all we want it to do. Brian will consult with John, Scott and Paul Boland and Mike Fairbanks who have expertise with cameras.

**Fair Coordinator's report:** Glenn reports that the fair is on at full capacity at this time! **HOW YOU CAN HELP:**

---

-Turn items to donate to our Make A Wish Sale and drop them off at Glenn's home or at Buffalo Woodturning.

-Help with the pricing event on July 29<sup>th</sup> at 10 am at Glenn's Home

--Help with setup at the fair at 8am on August 7<sup>th</sup>, and with takedown/cleanup at the end of the fair (time to be announced).

-Volunteer to sell at the Make a Wish booth. It is inside an air-conditioned building. You will get Free Fair entrance for the day you work, as well as free parking. Pepper will get tickets to those who volunteer.

-Brian passed out the last of the wood donated by (Jake) Barb Demski. Thanks to Brian for all you did! A thank you card was sent to Barb.

-Pepper reminded us that there will be a judged woodturners category with prizes at the Fair again this year. Please contact Pepper or research online.
